

Dear Patient,

Thank you for scheduling an appointment with South Texas Heart Clinic located at the below address.

South Texas Regional Medical Center
Steinle Building
1901 Hwy 97 E., Ste.110
Jourdanton, TX. 78026

As a practice specializing in the field of Cardiology, we are dedicated to providing the best cardiology care available to our patients. As a patient-focused practice, our physician will evaluate your medical condition and provide you with prompt, personal attention, coupled with the benefits of our advanced training and experience in the field of Cardiology.

If you are being referred to our practice because of an abnormal test, such as an EKG or chest X-Ray, please be sure that these tests are at our office prior to the appointment. If you have been seen previously by a cardiologist, please ensure that those medical records are at our office prior to the visit.

You will be asked to pay your co-pay, deductible or any co-insurance that you are responsible for at time of the appointment. If you have any questions regarding your insurance coverage, please contact your insurance company or employee benefits department. It is your responsibility to be sure that if your insurance company requires a referral/authorization for a specialist visit, that one is issued by your physician. We also have staff members available to help answer any insurance or referral/authorization questions.

If you do not have any medical insurance coverage, you will be asked to pay your bill in full at the time of service. We understand that this may not always be possible, so in certain circumstances our office will work with families regarding payment arrangements. Our office accepts cash, checks, and debit cards, MasterCard, Visa, Discover and American Express.

If you need to reschedule this appointment please contact our office 24 hours in advance. For any additional questions, please do not hesitate to call us. We will be happy to help you in any way possible. We look forward to seeing you and making this visit with us a pleasant one.

Sincerely,
South Texas Heart Clinic
